

<b>MATERIAL SAFETY DATA SHEET</b>	
<p><b>I. IDENTIFICATION OF THE SUBSTANCE AND THE COMPANY</b></p> <p>-Trade name</p> <p>-Supplier Address</p> <p>Telephone Fax</p>	<p>Accepta 7120</p> <p>Accepta Limited Statham House, Talbot Road, Old Trafford Manchester M32 0FP Tel: 0161 877 2334 Fax: 0870 135 6389</p>
<p><b>2. COMPOSITION</b></p> <p>-Preparation</p>	<p>Non pathogenic organisms – Class 1 (European Federation of BioTechnology)</p>
<p><b>3. HAZARD IDENTIFICATION</b></p> <p>-Specific hazards</p>	<p><b>Health Hazard</b> (inhalation, ingestion, contact with skin or eyes): Not classified as hazardous for use. If tubes are opened when dry, may cause dusting with consequent skin or eye irritation. Organisms used are non-pathogenic but are capable of causing infection in contact with eyes or open wounds. These organisms are susceptible to many commonly used antibiotics. Low order of acute oral toxicity.</p> <p><b>Fire Explosion Hazard</b> (stability, flammability, combustion products): Not classified as flammable or combustible material.</p> <p><b>Environmental Hazard:</b> Not classified as hazardous to the environment.</p>
<p><b>4. FIRST AID PROCEDURES</b></p> <p>-In case of ingestion</p> <p>-In case of projection in eyes or on the skin</p>	<p><b>Exposure by Inhalation:</b> Very low risk in normal usage. In cases of respiratory distress, remove patient to fresh air, rest and keep warm.</p> <p><b>Exposure by skin:</b> Low risk. Avoid unnecessary contact and keep away from broken skin or open wounds. Wash hands before eating or drinking.</p> <p><b>Exposure by eye contact</b> Low risk unless dry tubes are broken open to release dust. Remove contact lenses. Irrigate with plenty of clean running water. Seek medical attention if irritation persists.</p> <p><b>Exposure by Ingestion:</b> Low risk. Do not swallow, rinse out mouth with water if dust is released. Do not induce vomiting.</p>
<p><b>5. INFLAMMATION AND EXPLOSION HAZARDS</b></p>	<p><b>Suitable Extinguishing Media:</b> The product is not classified as combustible or flammable, but may burn if involved in a fire. Use extinguishing media appropriate to the source of the fire.</p> <p><b>Protection for fire fighters:</b> Wear self-contained breathing apparatus. Wear protective clothing</p>
<p><b>6. SPILLAGE OR LEAK PROCEDURES</b></p> <p>-Precautions for environment</p> <p>-Procedures</p>	<p><b>Personal Precautions:</b> Pick up unbroken tubes. If tubes are broken, mark out contaminated area with signs and prevent access to unauthorised personnel.</p> <p>Product is not environmentally hazardous, on the contrary it favours digestion of oils and greases in sewers and waste water treatment facilities.</p>

7. STORAGE AND HANDLING -Special precautions to be taken during storage and handling -Packaging materials to be avoided	Usual storage conditions. Avoid freezing temperatures. This product is safe in normal use however as with any chemical product good hygiene practices should be followed. Metallic containers.
8. PERSONNAL PROTECTION EQUIPMENT -Protective eyewear -Protective clothing	Safety glasses recommended. Take precautions to prevent skin contact. Gloves recommended
9. PHYSICAL PROPERTIES -	Appearance: Enclosed sewn textile tubes pH: Not applicable Flash Point: Not applicable Vapour Pressure at 20°C:Not applicable Density at 20°C:Not determine Solubility - Water solubility:
10. REACTIVITY DATA -Stability -Incompatibility (material to avoid) -Hazardous decomposition -Hazardous polymerization -Hazardous reaction	Stable under normal conditions. Strong acids or alkali compounds may inactivate biological cultures. None to the best of our knowledge. None to the best of our knowledge. None if used in accordance with the PDS however avoid strong oxidizing agents.
11. TOXICOLOGICAL DATA -Skin -Eyes -Ingestion	LOW TOXIC PRODUCT  Prolonged or repeated contact may cause irritation. Slight redness on hands and forearms if individual has a history of dermal allergic reaction. Dermatitis and skin sensitization can develop after repeated and/or prolonged contact with human skin.  Product could cause slight irritation. Organisms used are non-pathogenic but can cause infection when in contact with open wounds. These organisms are susceptible to many commonly used antibiotics.  May cause stomach disorder; irritation of the mouth, pharynx, oesophagus and stomach can develop following ingestion.
12. ECOLOGICAL DATA	Degradability: All active components are readily biodegradable. Bioaccumulation: No bioaccumulation is expected. The product mainly comprises an inert bacterial support medium.
13. SPECIAL PRECAUTIONS CONCERNING DISPOSAL OF PRODUCT WASTE	Pick up unbroken tubes. Where tubes are broken, wash down any dust with water. Return unwanted material to the supplier.  Dispose of according to local regulations.
14. TRANSPORT DATA	Non applicable.
15. REGULATION DATA -Labelling required for hazardous substances and preparations (European Union)	None hazardous substances - No labelling.
16. OTHER RECOMMENDATIONS	This product complies with legislation concerning: -the biodegradability of surfactants; -cleaning of equipment and tanks in contact with foods tuffs.

The data and recommendation presented herein are based upon research of others, and are believed to be accurate. However, no warranty is expressed or implied regarding these data or the results to be obtained from use thereof. Accepta Limited assume no responsibility for injury to customers or third persons proximately caused by the material of reasonable safety procedures are not adhered to as stipulated in the data sheet. Additionally, since actual use by others is beyond our control, no guarantee, expressed or implied, is made by Accepta Limited as to the effect of such use, the results, to be obtained, or the safety and toxicity of the product nor does Accepta Limited assume any liability arising out of use, misuse, by others, of the product referred to herein. Information provided herein as provided by Accepta Limited solely for customer's assistance in complying with the Occupational Safety and Health Act of 1970 and regulations thereunder. Any other use is prohibited.
